Will,

What I sent you yesterday didn't give you what you were needing?

Will,
I've attached the 213RRs you were looking for, and included the 213RR for \$600K also.

Althea and Monica,

Upon review of my Harvey file, I see that I never received copies of the 213RRs for the first two funding obligations for the START TO4 Harvey response.

The first obligation was for \$500,000 on 8/31 and added funding to TO4 for the initial Harvey response that was verbally authorized on 8/29. The funding was used to initiate the Alpha, Bravo, Charlie, REOC, and Arkema TDDs. The second obligation was also for \$500,000 on 9/6 and added funding to the same TDDs.

Please let me know if you have any questions. Thanks!
